Hi Eric,

Unfortunately, I would need a day or so to obtain the Drug Receipt and then I can obtain the chemist's notes.

Since it is only marijuana, I could probably email it to you by tomorrow.

Sorry.

Dear Annie,

I am with the District Attorney's Office at Quincy District Court.

The above-mentioned case relates to a quantity of marijuana that you analyzed earlier this year. The specimen numbers are [REDACTED]

I would be grateful if you could send me: (1) a certified copy of your lab notes relating to those analyses; and (2) a copy of your C.V.

With apologies for the short notice, it would be ideal if you could email those documents to me later today. If that is not possible, however, please send them to me at the address below at your earliest convenience. Please feel free to contact me with questions. Best regards,

Eric
